

Opticote Semi-Finished Mirror Program

Same day shipment of Opticote mirrors on in-stock Semi-Finished Lenses

FEATURES

- Four popular Opticote mirror colors - Silver, Gold, Blue and FE Green
- Dramatic reduction of total lens processing cycle time
 - (Same-day shipment of in-stock items, on orders received before 4pm CT)
- Younger Optics NuPolar high-index (1.58) Semi-Finished base stock
 - Nine base curves
- Polarized Gray or Brown base color:
 - Gray-80 (for Silver, Blue, FE Green mirrors)
 - Brown-75 (for Gold mirrors)
- Mirror Colors are perfectly matched to Opticote mirror colors
 - Because they ARE Opticote mirrors - same formulas, equipment and processing used
- Attractive pricing
