

Semi-Finished Mirror Program FAQ

FEATURES

- Five popular Opticote mirror colors – Blue, Green, Gold, Red, Silver
- Dramatic reduction of total lens processing cycle time
 - Same-day shipment of in-stock items, on orders received before 4pm CT
- Younger Optics NuPolar high-index (1.58) Semi-Finished base stock
 - Nine base curves – see below for options
- Polarized Gray or Brown base color
 - Gray-80 (for Blue, Green, Red, Silver mirrors)
 - Brown-75 (for Gold mirrors)
- Mirror Colors are perfectly matched to Opticote mirror colors
 - Because they **ARE** Opticote mirrors - same formulas, equipment and processing used
- Attractive pricing
